

Ossipee

Thurs

Feb 25 (Tues). We rose up
early and after breakfast
went down to the old place
as to the chick place

Found Brownell working on
the work at the pond. We
helped brush out a road
through Harrys and he got
started on the work.
He had already taken out
what he could from
the pond side.

We found the Chick house
all roofed over, and ^{most} ~~most~~
of the windows in
good tools we put in the

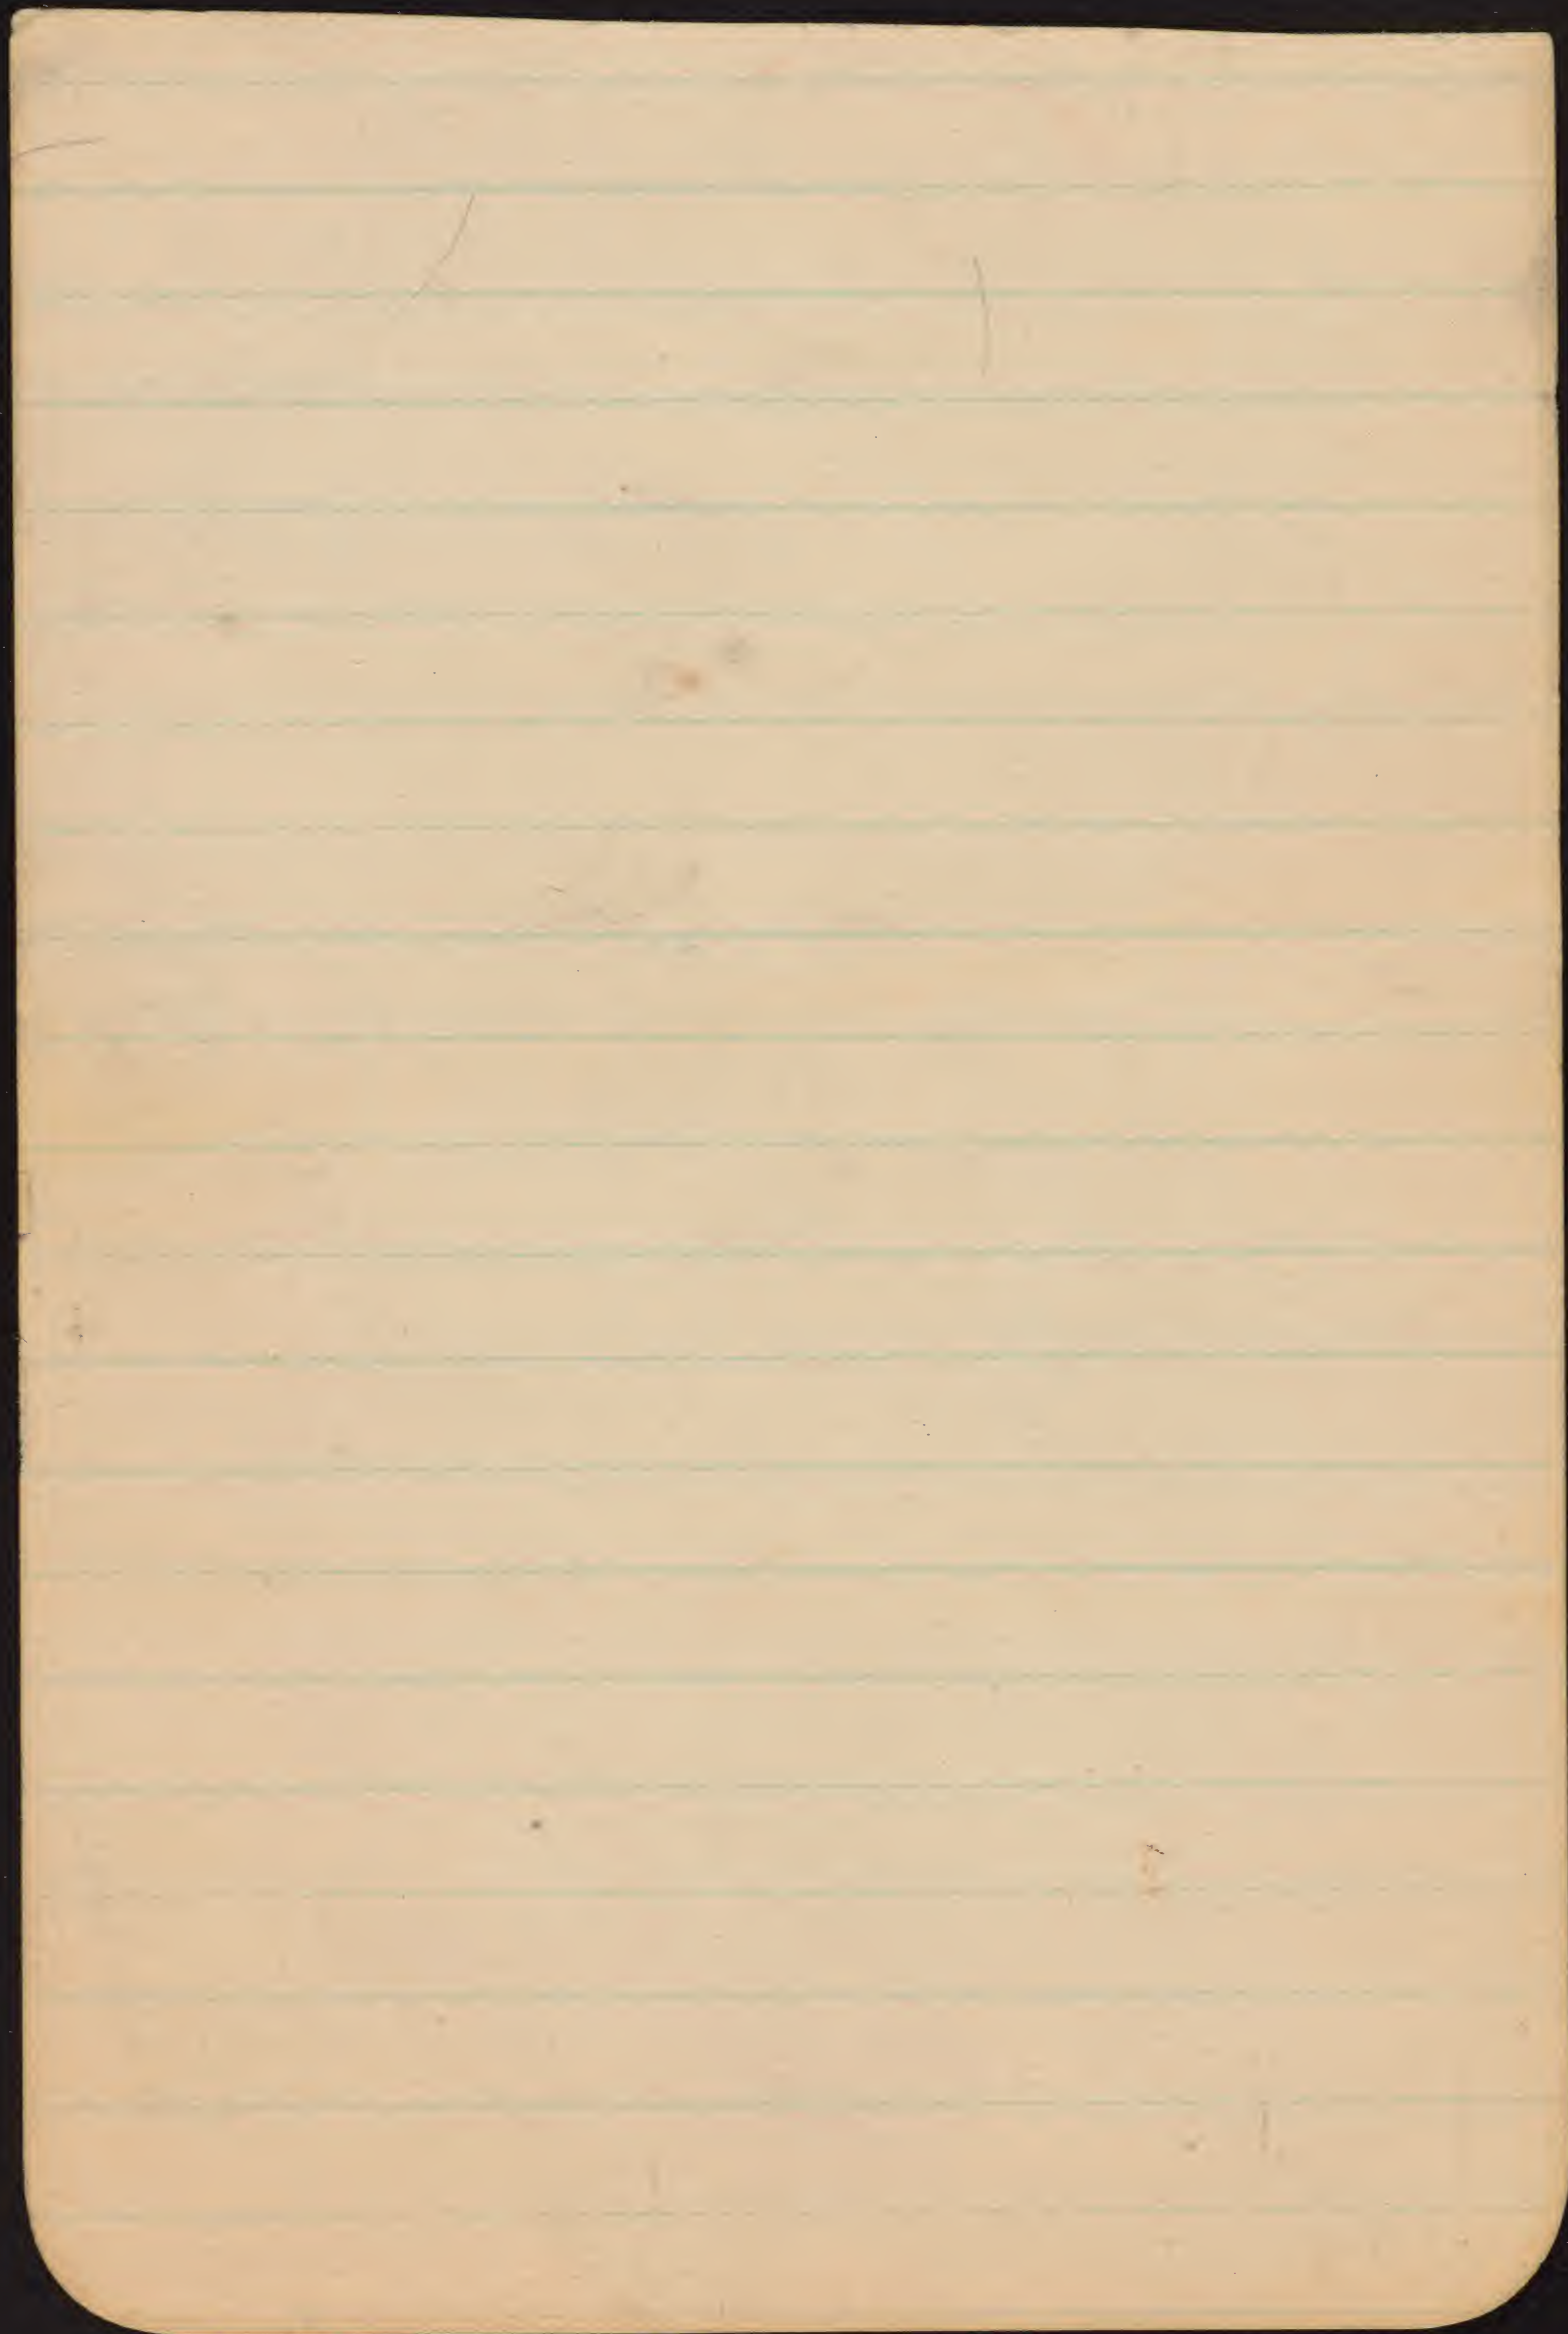

Wick House

Robert took

Some blunpoy

Puffed down.

Feb 26. (Wednesday)

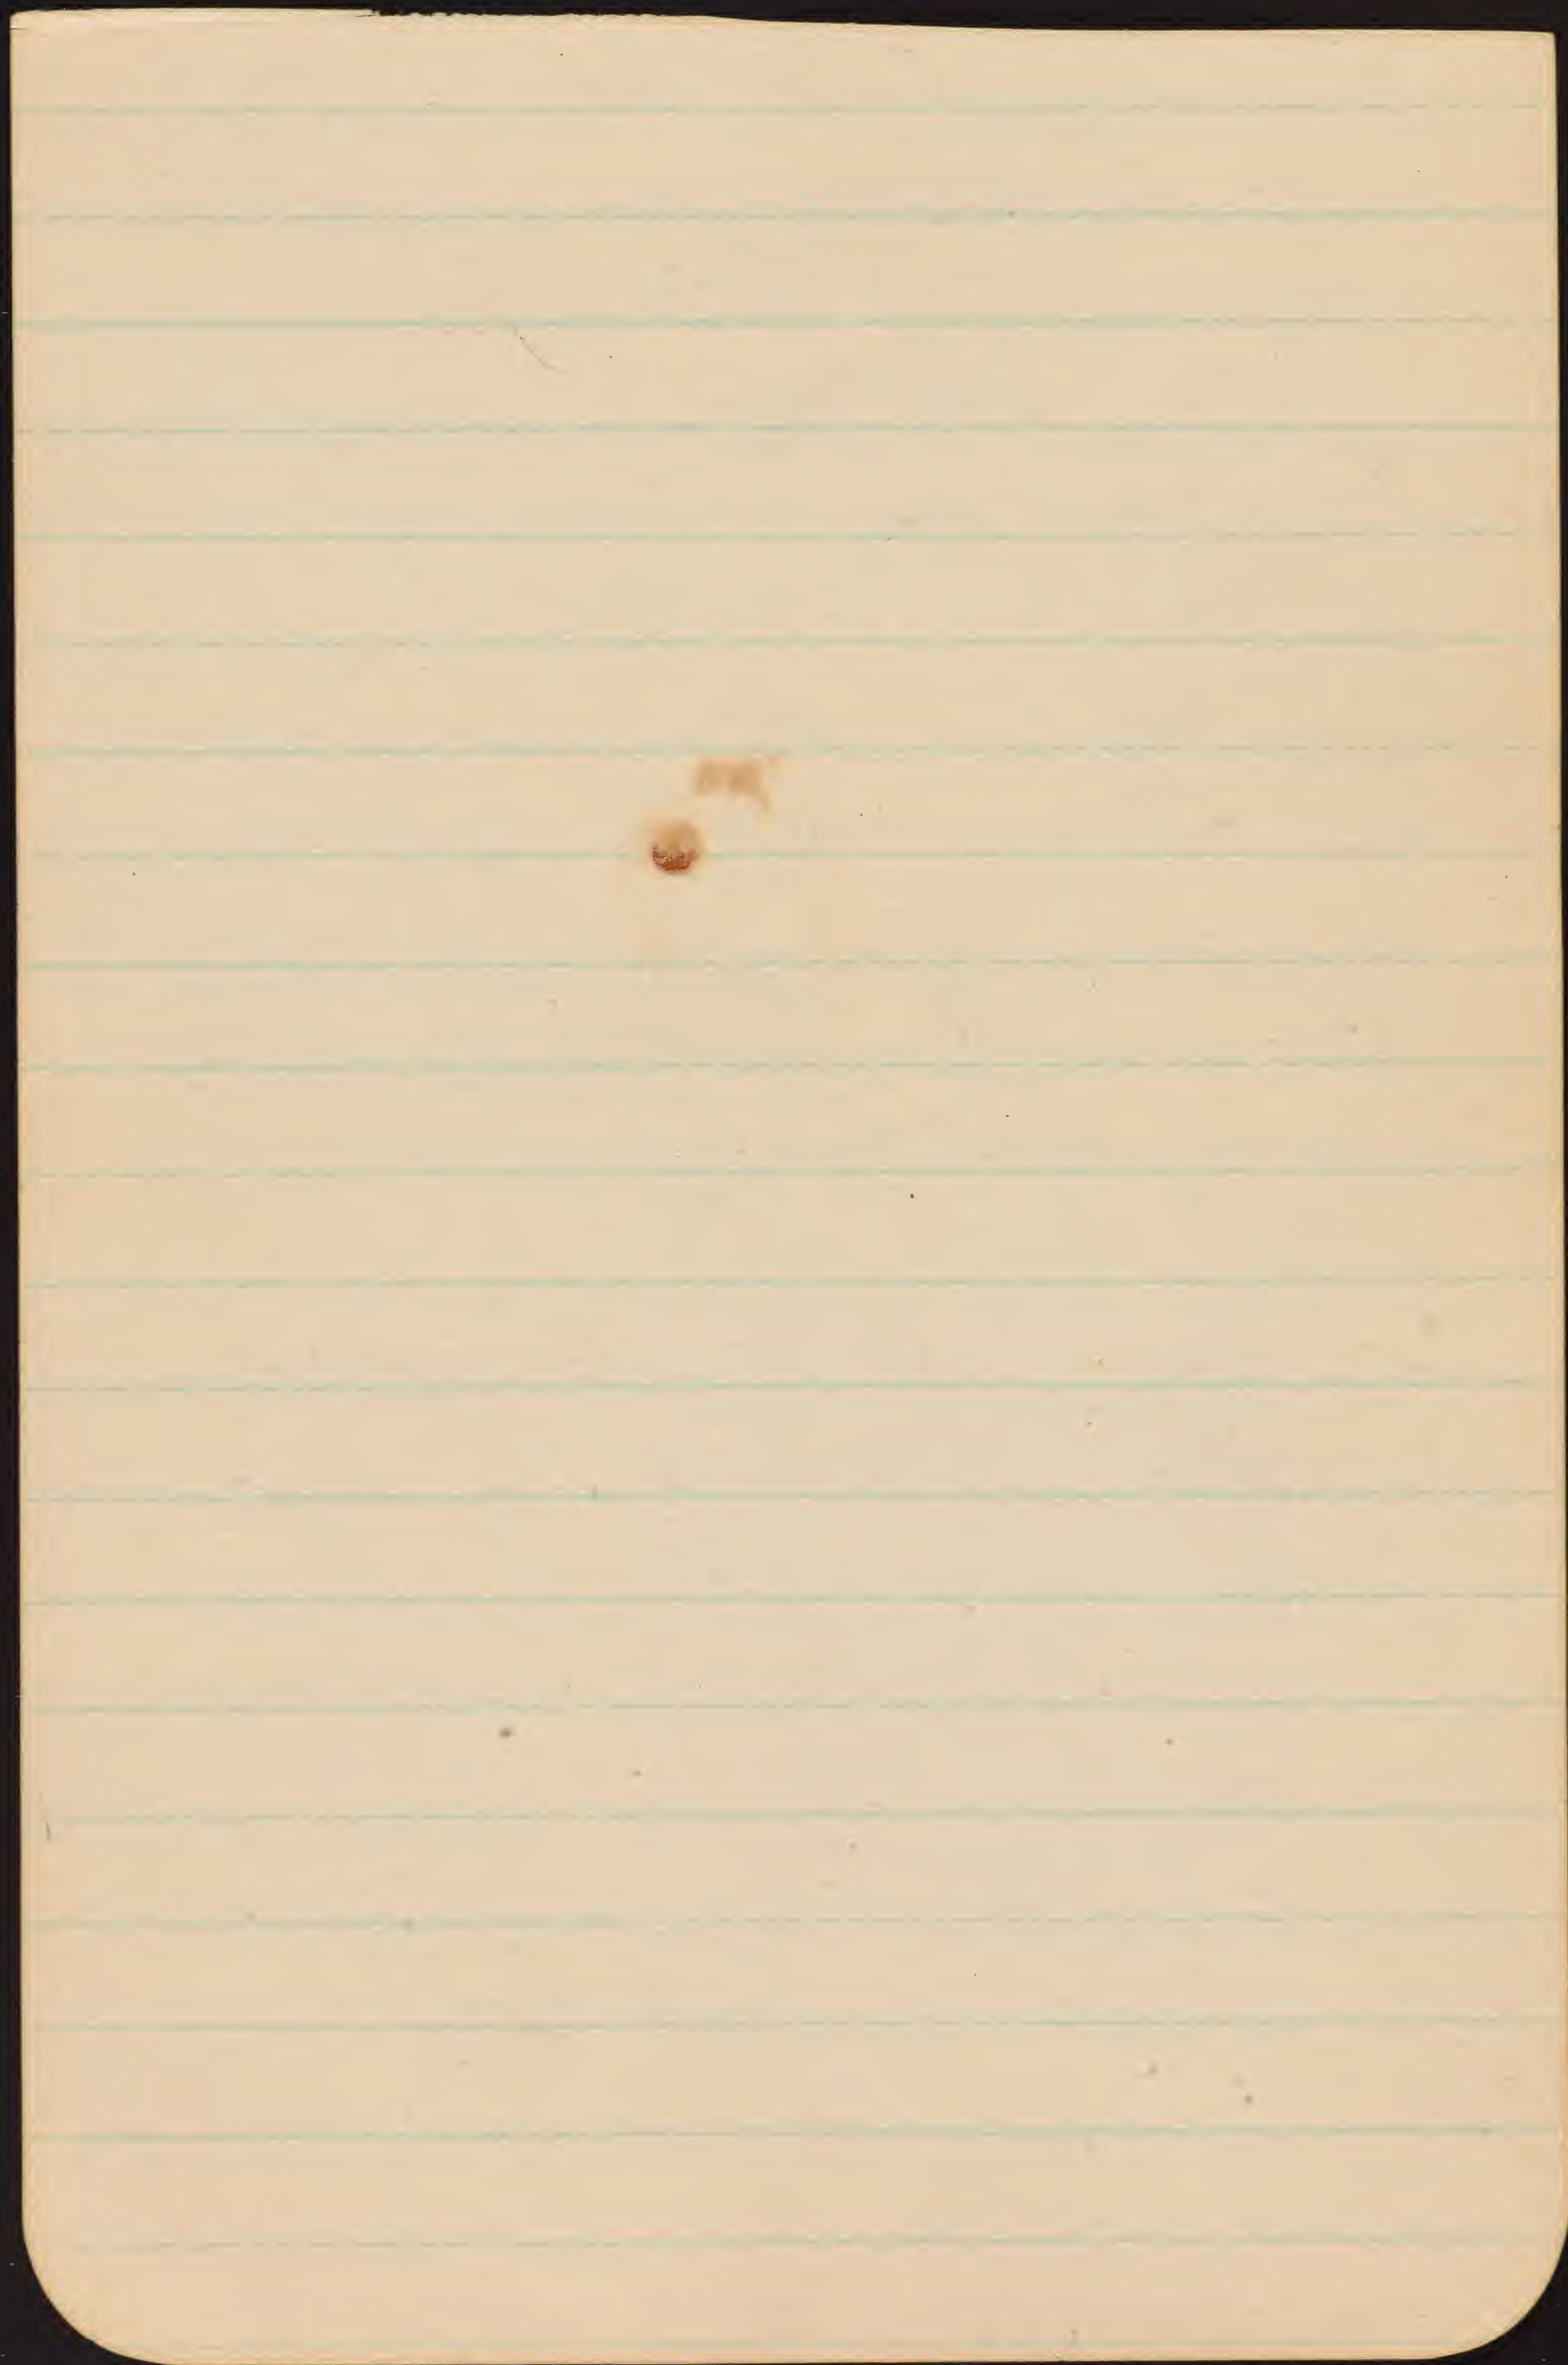

We went up on hill
on sunshines after breakfast
looked out the line if the
Dorrell lot. found it
about as Rudolph's brother
had hunted at and
reducing the area purchased
to about three acres or
less.

We then went up past
the chuck place and along
the bench at the same level.
a quarter of a mile or
more, then back diagonally
toward the Isaac meadow
and bench along the
bench ridge to the Fred
Beane Place. We then
followed down the land
to the west of the
Graham pond toward
the pond, crossed

Thursday Feb 27
Went down to Ossipee to
see Preston Smart, but he
was away. Left papers with
his secretary. Called at
the mill to see Harry Smart
but he was away also.
Alfred had to fix a gas
pump on the way after
supposedly having it fixed
at the Garage.

Harold Bromell had
gotten out some more of
the wood from the pond.
Went down to 1 below
zero last night.

Friday Feb 28

went down to 1 above
zero last night

After breakfast we went
down to the Welch house
at measured the windows for
screens. They will take
28 when we're stuff and
the same for the
Chuck house.

Saw a lot of chickadees
1 ruffed grouse, heard 1
bluejay. (I think this is the
same one we have seen one
or more before - near Fred Hodges)

Left Keys to Big House, and
to Welch House with Mrs
Hodge at Mountbatten.

We got away for Wakefield
about 2³⁰ / as it looked

as if it would snow

any time. But it did

not as the sun was

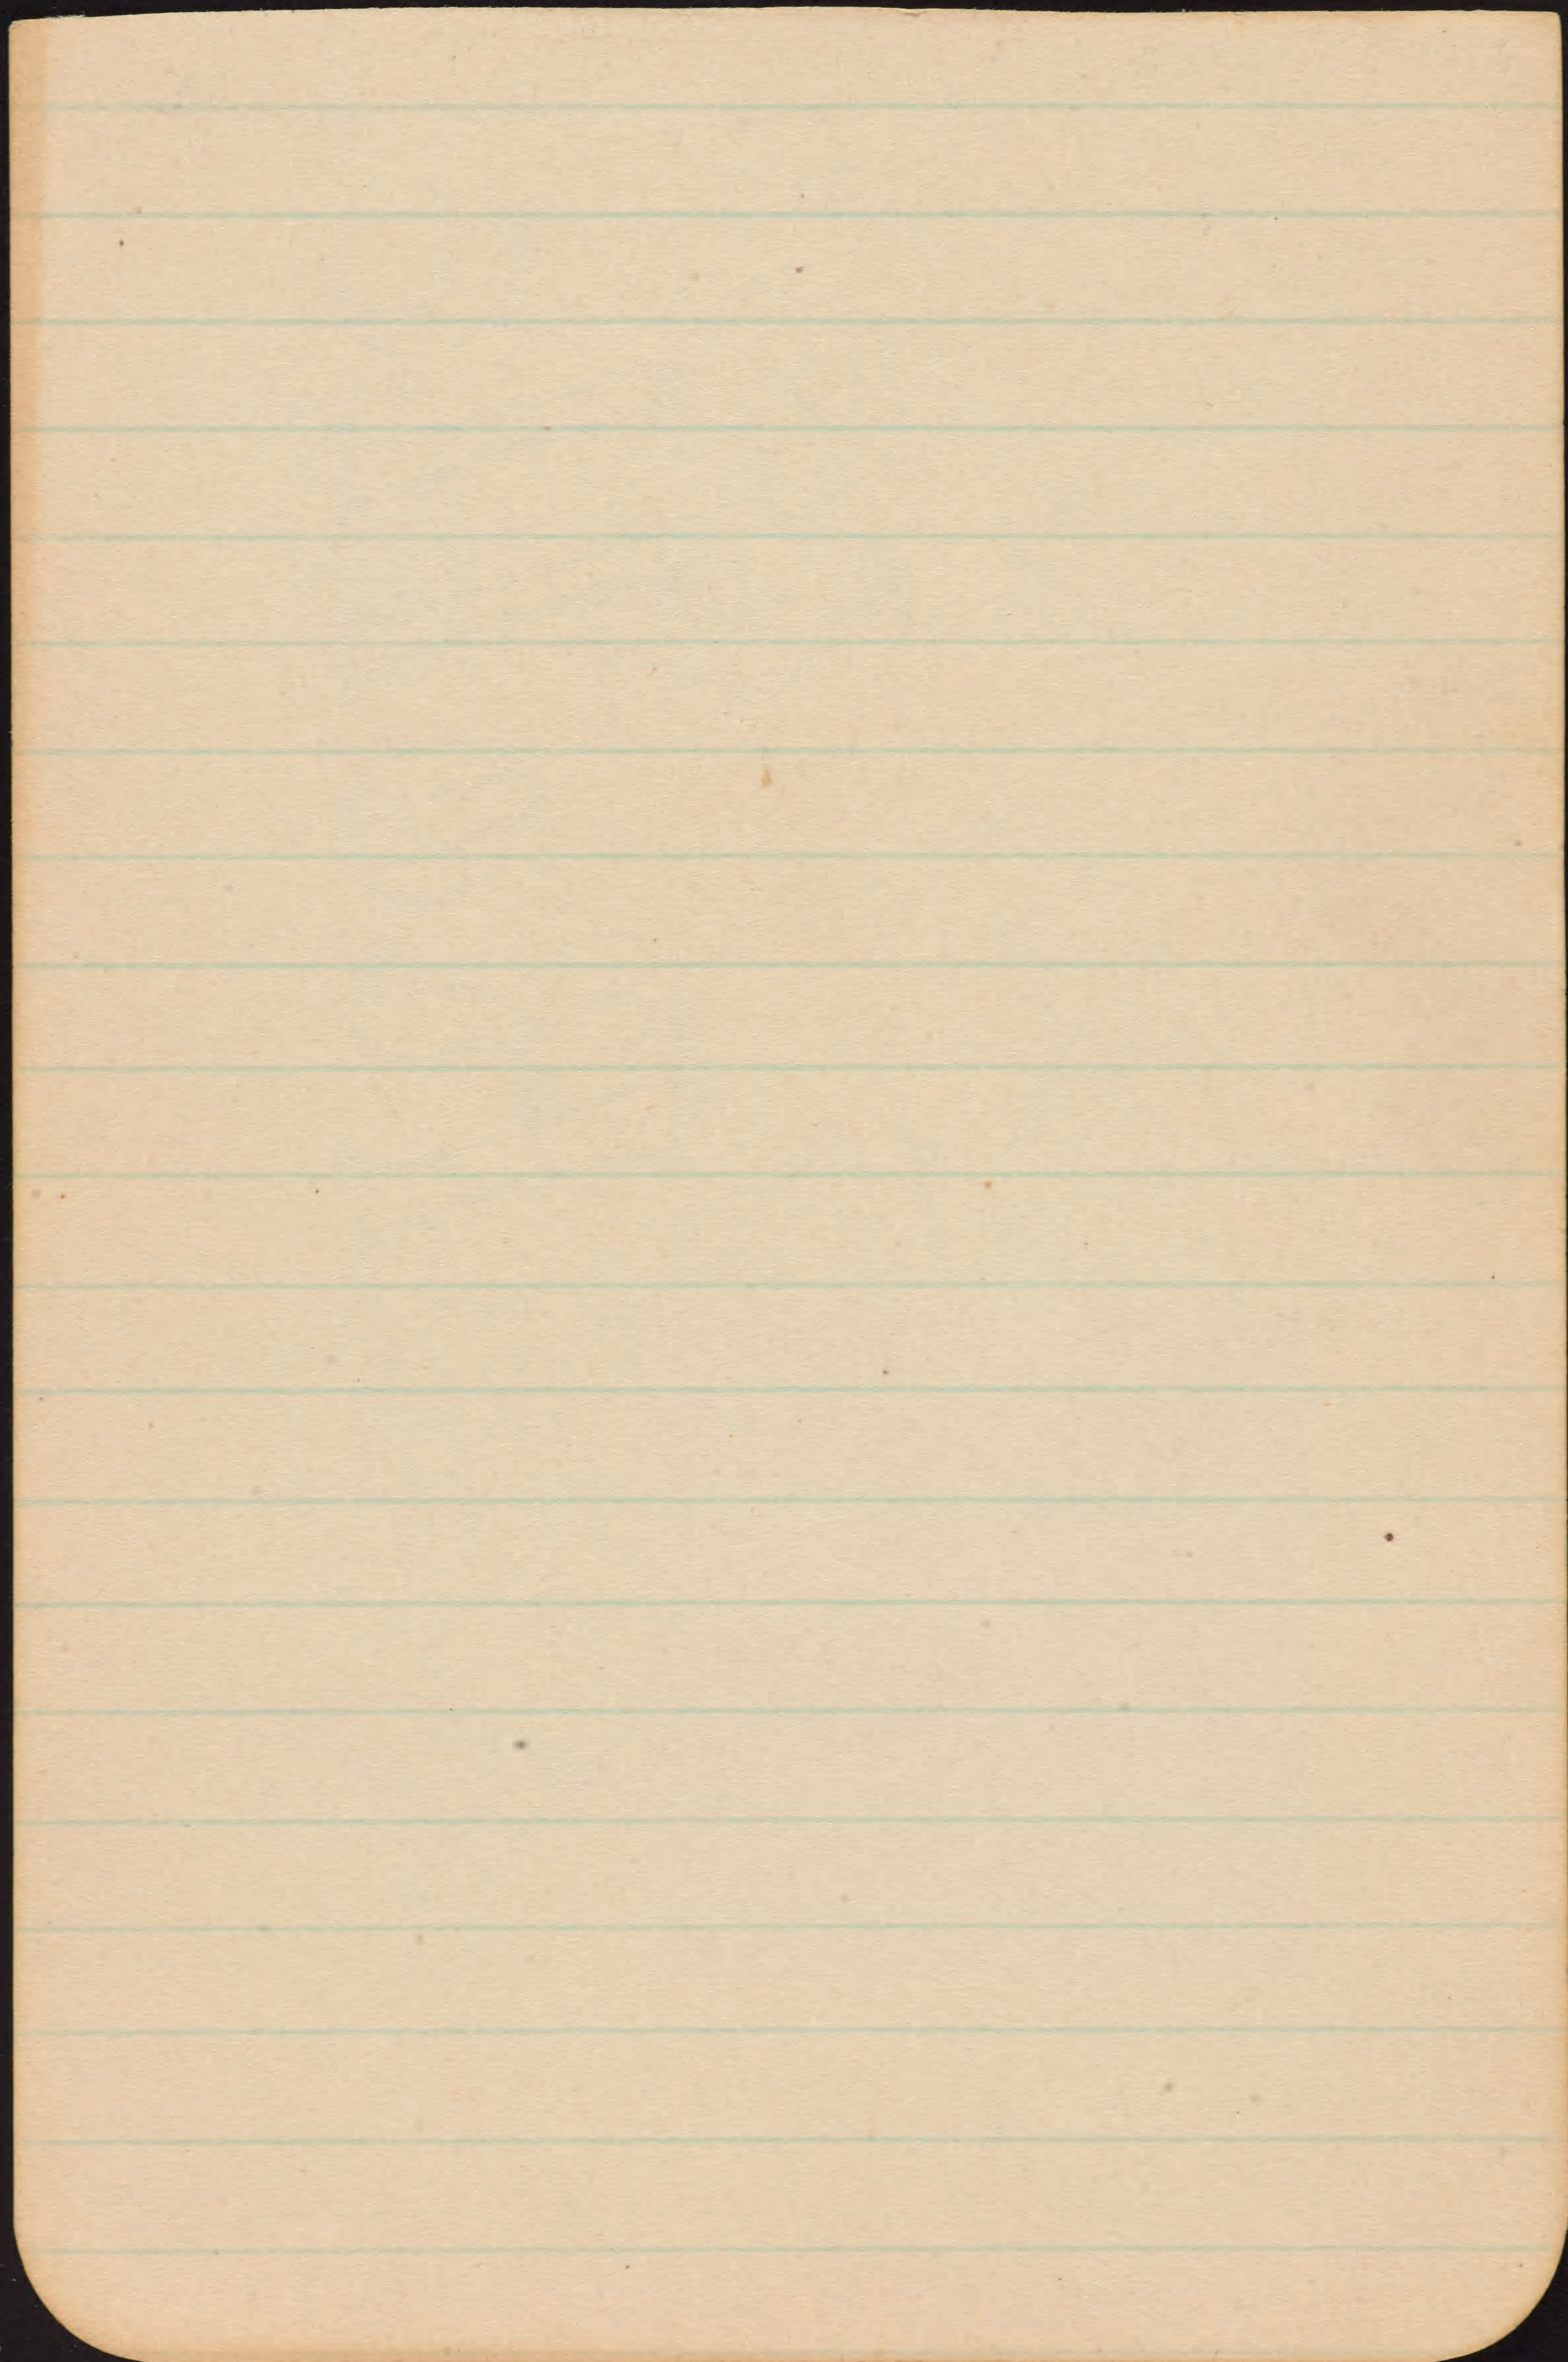

out part of the time

We got to Wakefield as it

was getting dark.

Greene had just left for
Boston.

at the house, and
then up the road to
Leenas. Stopped a half-
hour or so and
then home. When
we had a hot dinner
Dad took of his breakfast
and went out to grow
did not start any
thing that was serious

I had a fine view of
Mt Washington, with
the snow clearing off
from it and all
other peaks, sometimes
almost obscuring it.
Saw nothing in the
bad time.
Had a fine

Sunday March 2 To Wash-
ington drove in to
Portland for the 9 o'clock
Train
Left on time and
had a good trip home
